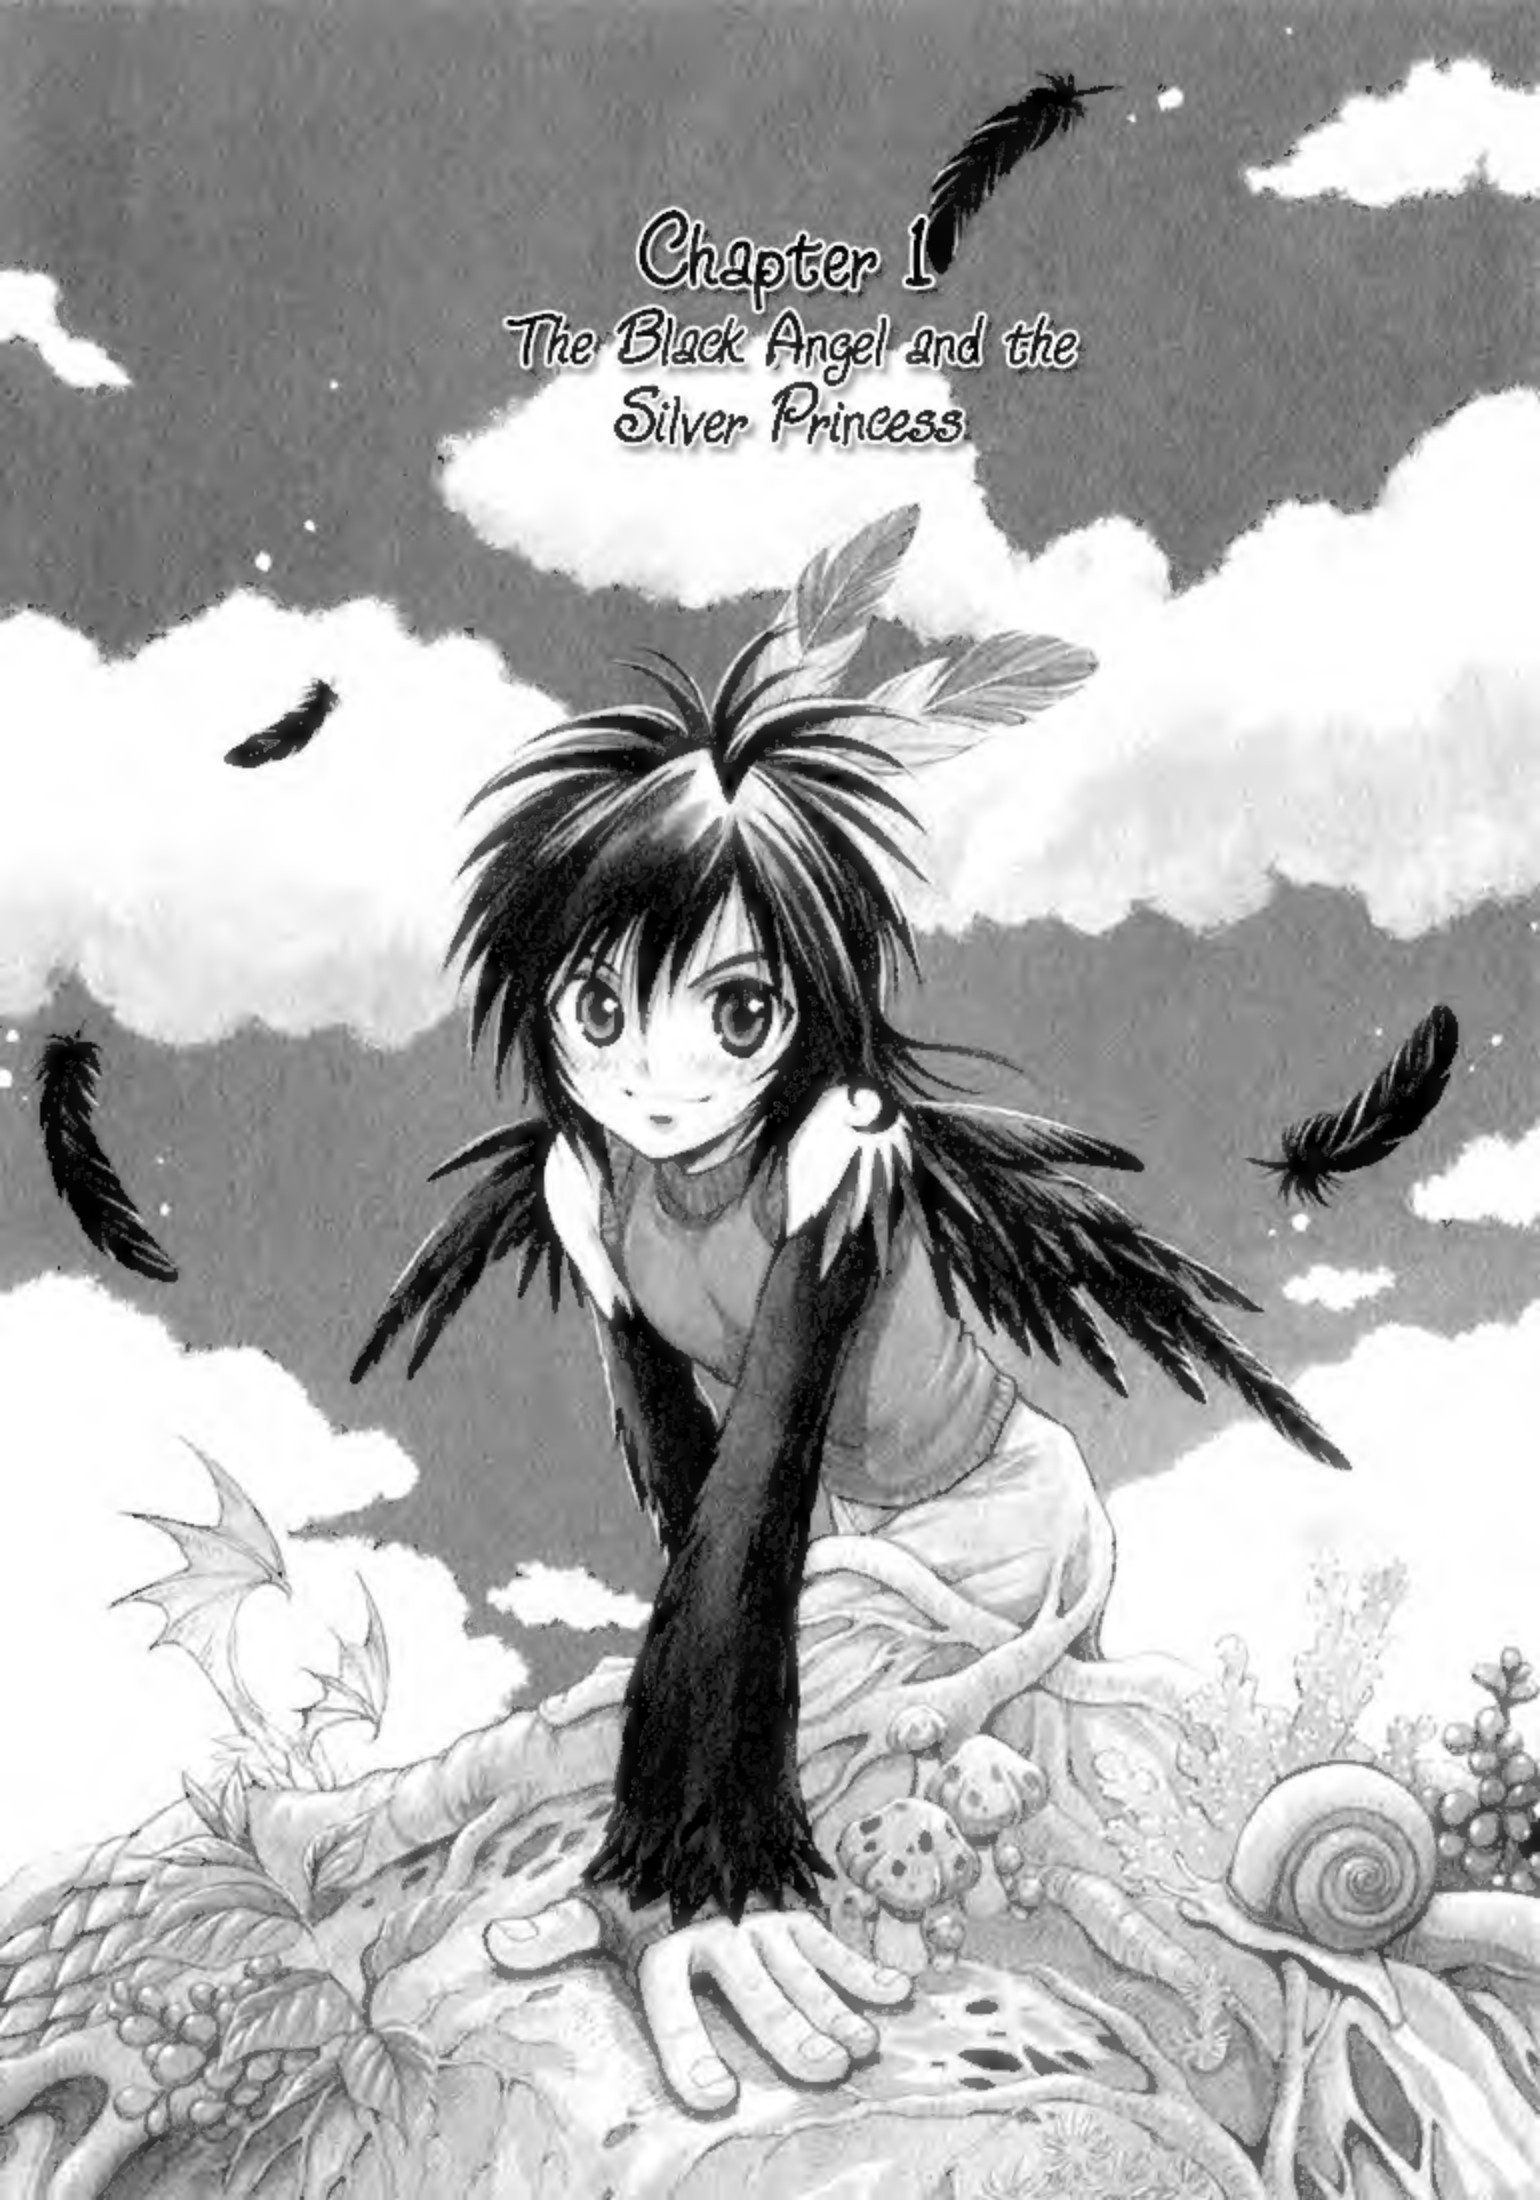
Why do humans wish for such things.....?



Chapter 1
The Black Angel and the
Silver Princess

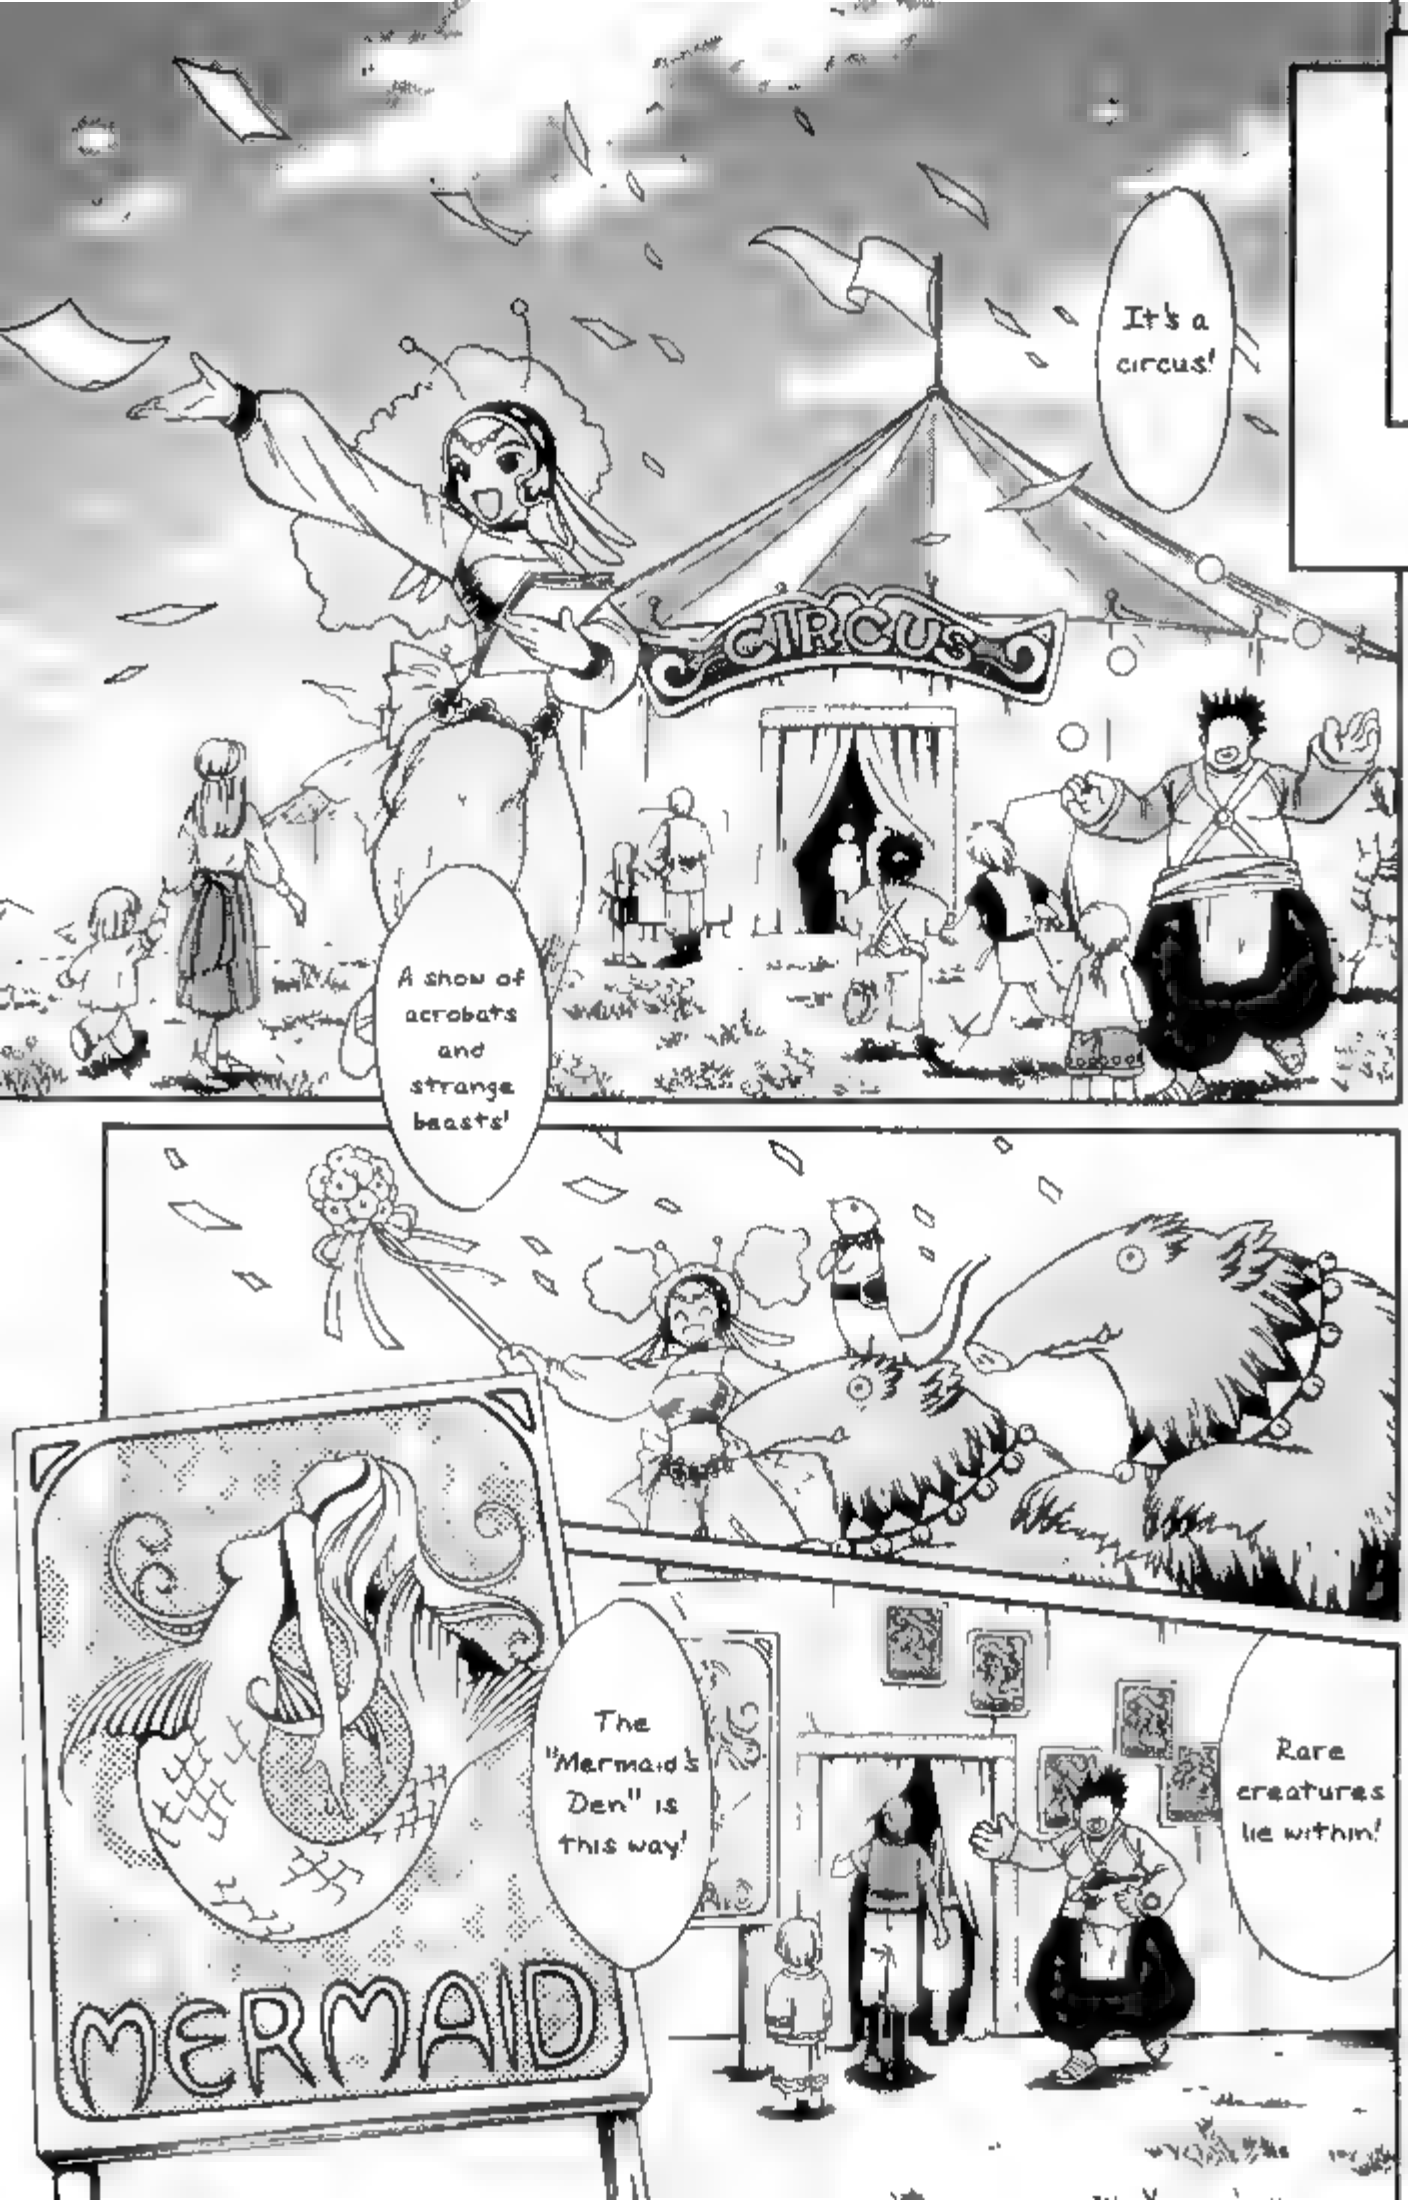
CRASH!

That day, an angel with black wings fell to earth...

11 years later...
ガラガラガラ...
Hey Ringmaster
Will you buy this off me?
?
It's a fish I caught in my net.
It's a real beauty.
RUSTLE
I'm a circus ringmaster, not a fishmonger...

Hya!
Thi... this is no fish! It's a child.
And..... He's dead.....

Don't worry!
He's still fresh.



It's a circus!
CIRCUS
A show of acrobats and strange beasts!
The "Mermaid's Den" is this way!
MERMAID
Rare creatures lie within!

Ladies and Gentlemen!
A strange creature, half human and half covered in silver scales
A fearsome creature,
Said to lure men into the sea with their captivating eyes.
RUSTLE
Captured in the Southern Seas...

I present the "Mermaid Princess"!

You mustn't look upon her for too long
If your eyes meet, you'll be caught in her spell

MERMAID
Oh, a bump.
I thought maybe I could use him in the show, too.
What a great catch.

Thanks to you, this circus has become quite successful!

I thought it was illegal to buy people in this country.
And money!
Isn't that normal?
Wha.

How can you say that so suddenly
I'm not your slave
If you won't pay me, I'll leave
Is it because of this kid!?
You were planning to leave with him because you're both +Anima
Is that why you caught him!?
Hmph...
You can't leave anyway.
Right? Husky?
I did not...

D. damn it
GRIP...
I HATE +ANIMA!!

RATTLE

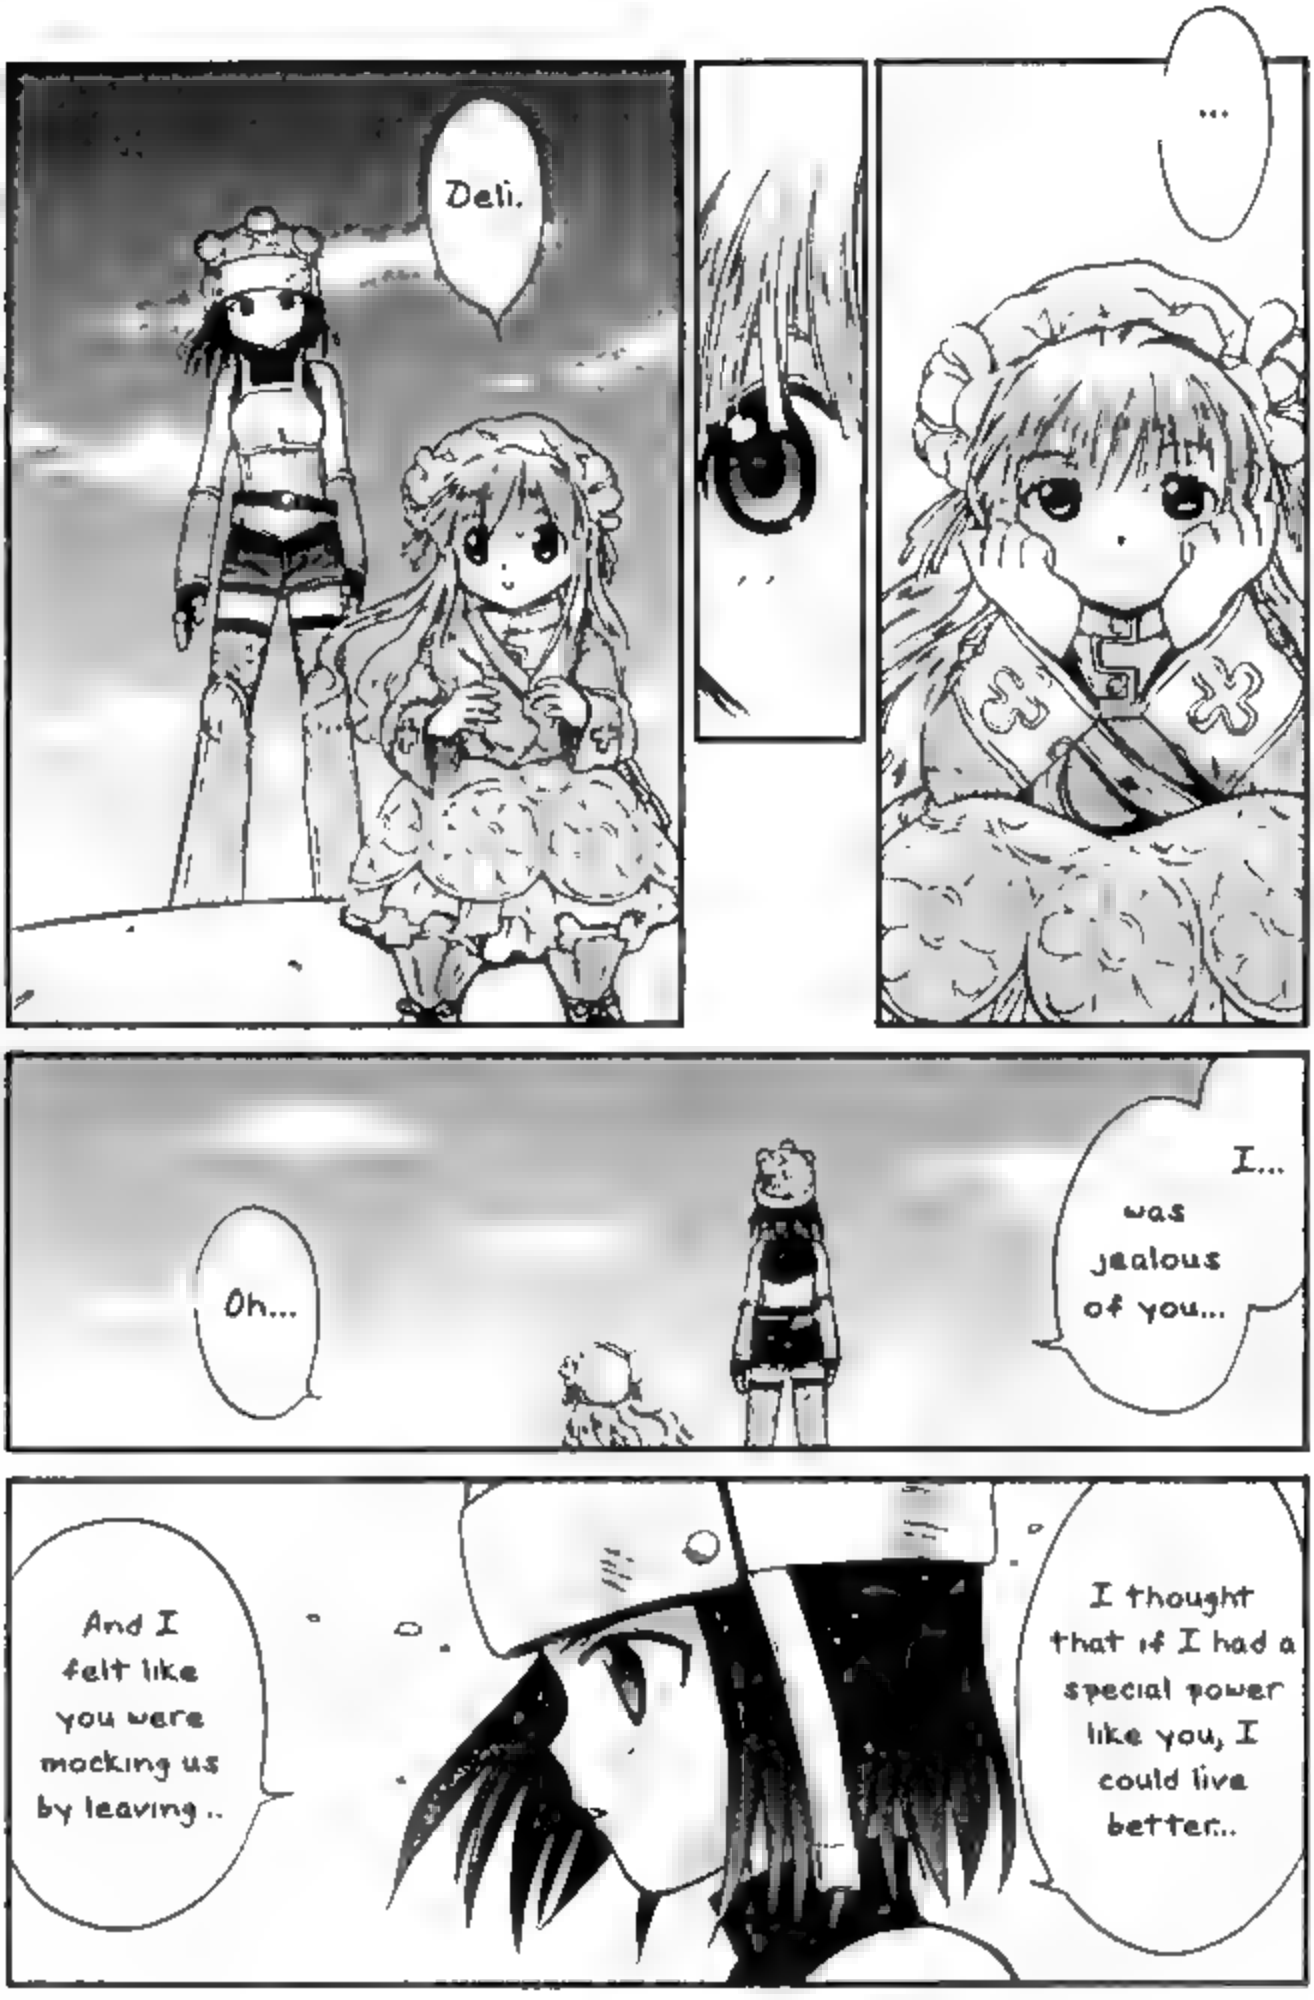
Ah!
It...
It's...!

IT'S NOT LIKE I WANTED TO BECOME A +ANIMA!!!
It's coming!

snap

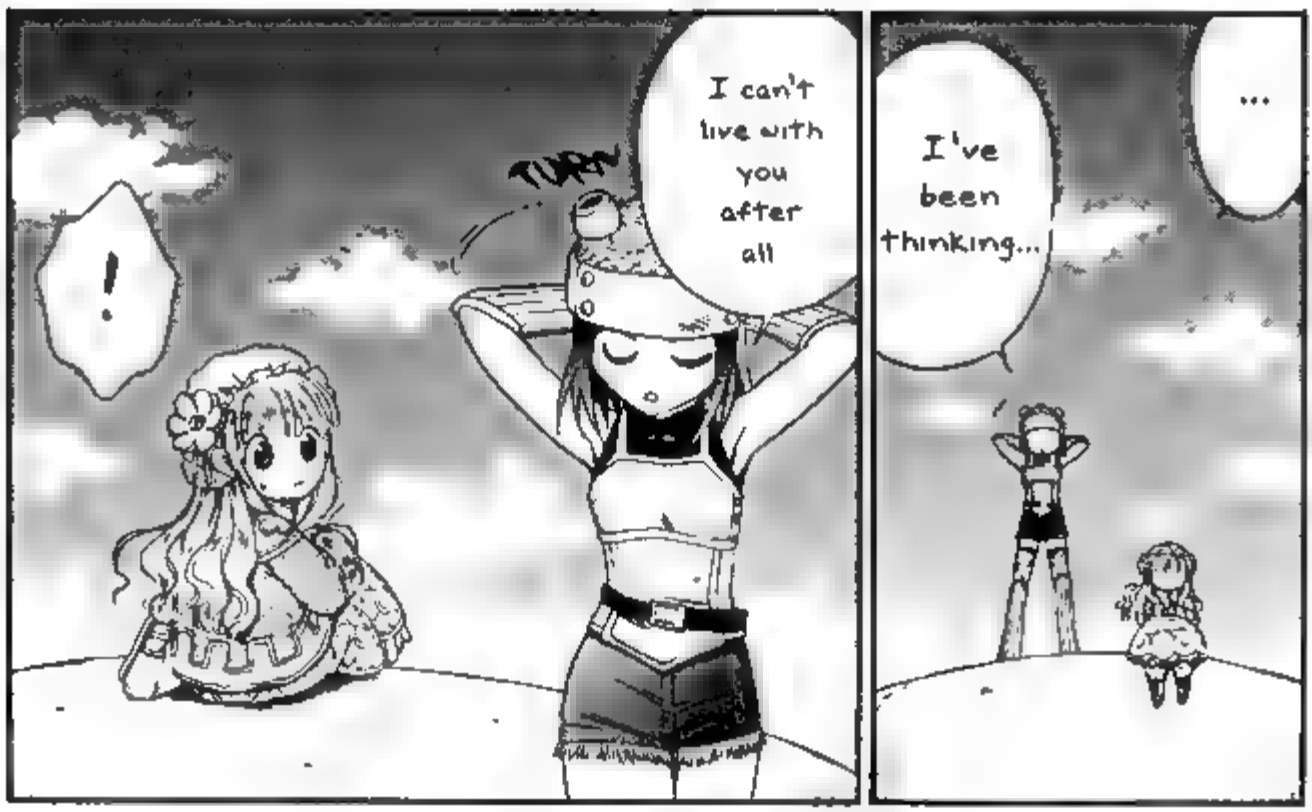
It's no use, they fell down the cracks.

But...
This is all because we got caught up in that stupid girls' war!
God damn it!
Utk...
But you and Deli still covered your ears, and that's why the pearls fell. Right?
Nana didn't use the ultrasonic, did she
Is that all you can say?
Hey!
Well, I guess you just got the short end of the stick!
Ha Ha Ha



Deli.
...
Oh...
I... was jealous of you...
And I felt like you were mocking us by leaving..
I thought that if I had a special power like you, I could live better..

I'm a +Anima, and a bat on top of that, right?
I thought that you guys hated me for sure.
I left because I didn't want to see myself be hated.
Because I wanted to keep liking myself.....



...
I've been thinking...
I can't live with you after all
!

You look like you want to be with them
Because
You know... them!

Chapter 5
3 + 1 = 5

WOW
Found some!

There's so much to eat!
I kinda want to live here~
If you're alone
But there's three of us, so we'll be fine!
The city's safer!
CHOMP
Right, Senri?
NOD
.....
I'm worried...

ナナ!!!
COME QUICK!!
HEY!

はぁはぁ
Na...

Why're you here...

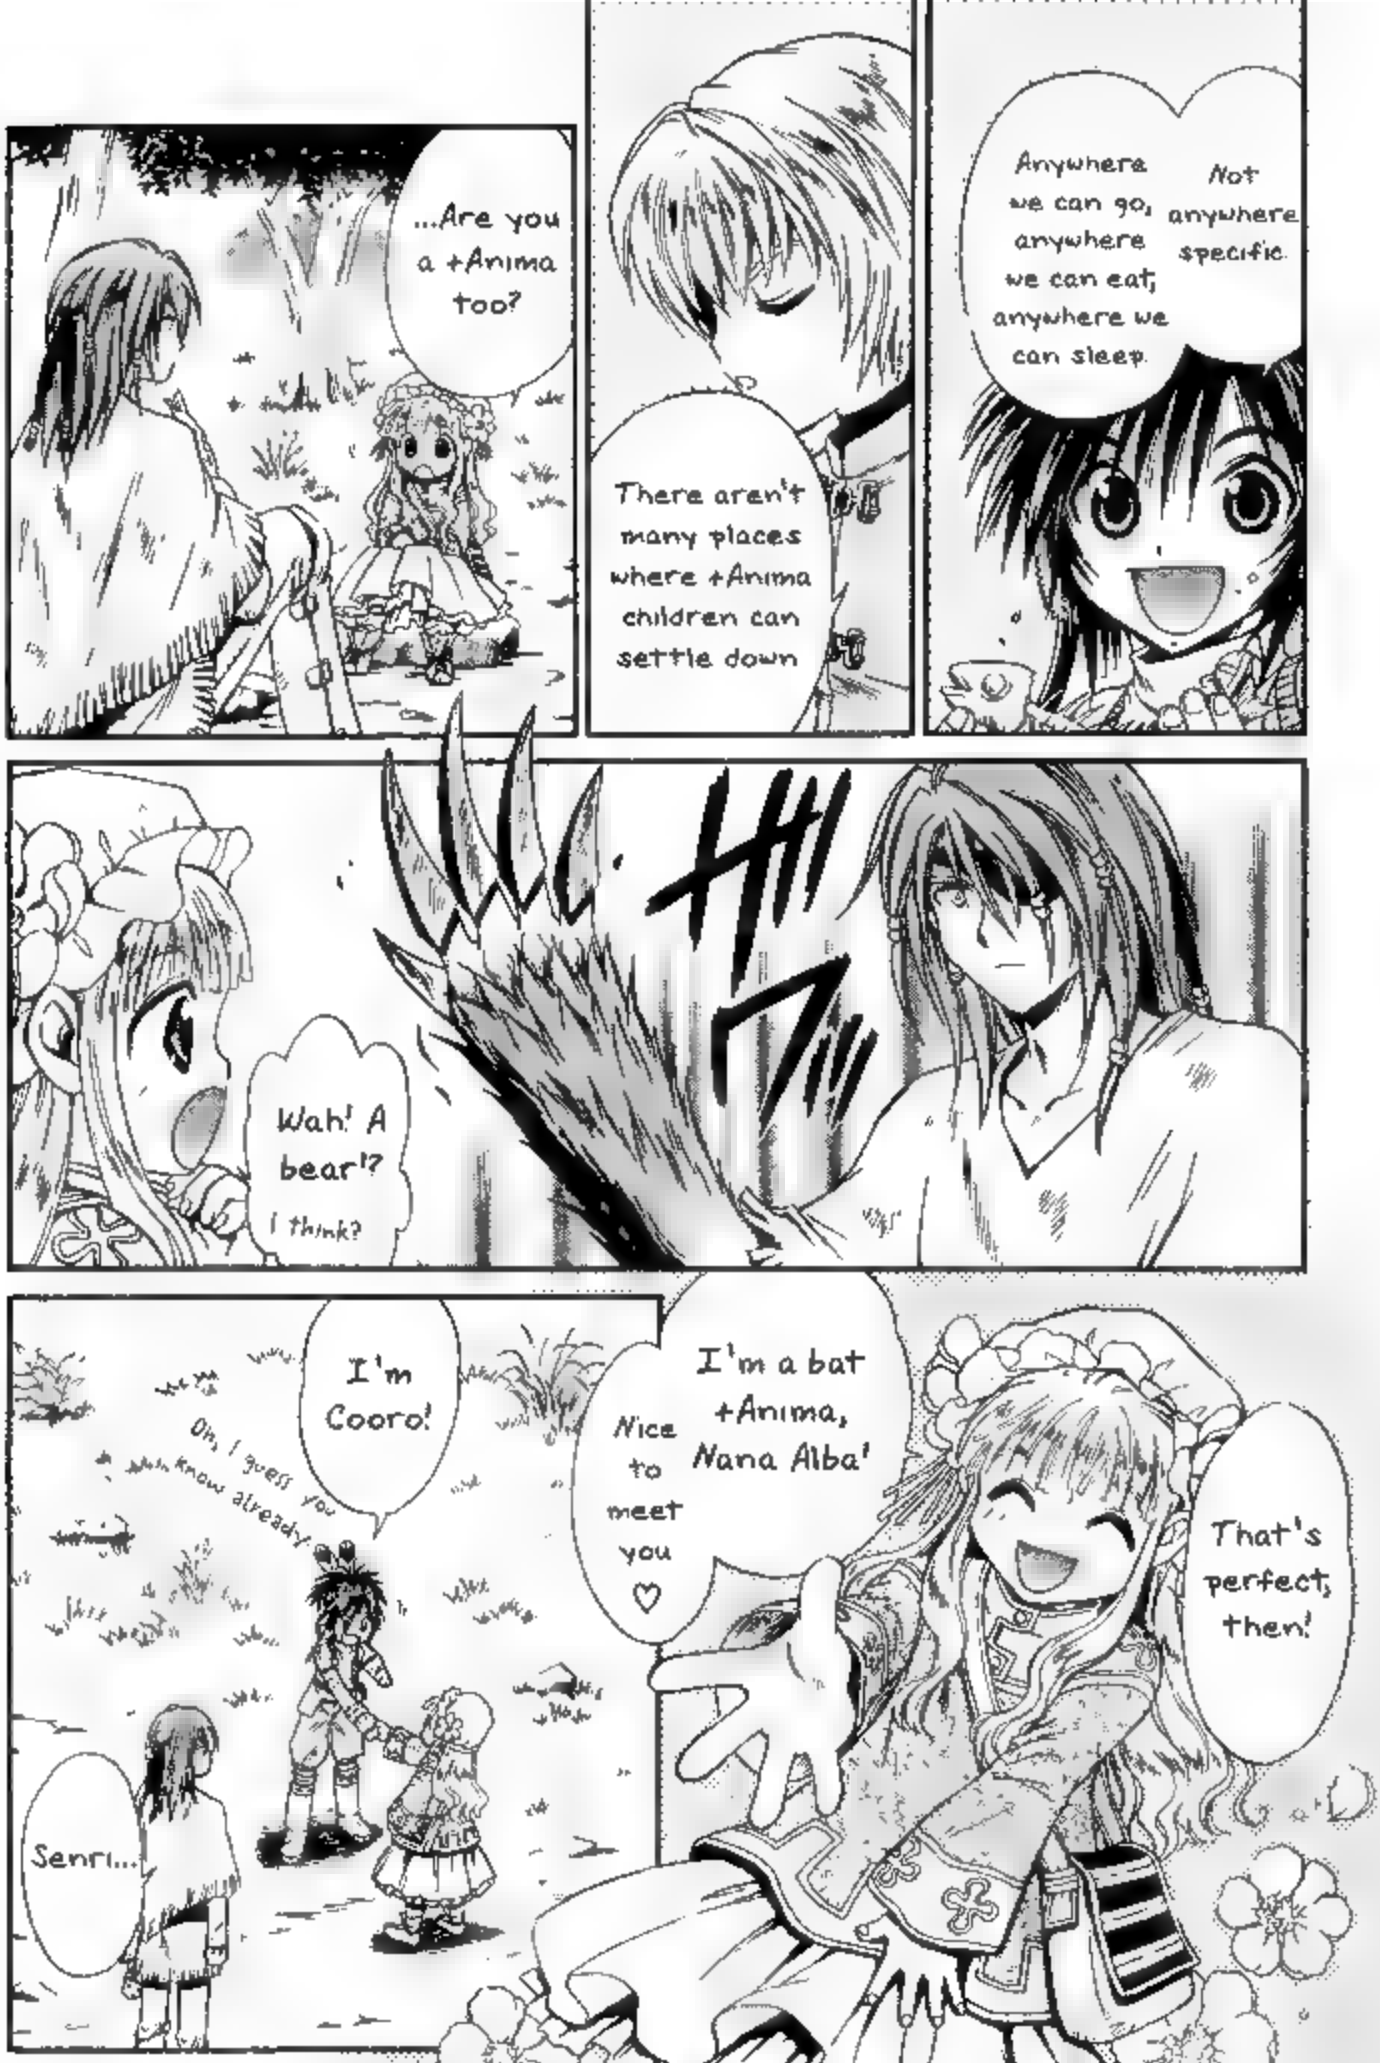
Please come quick!!
Who cares about that!
Huh!?
I stunned it with my ultrasonic waves!
Hurry and finish it off!
Huh?
I've never hunted before!
Whoa!

Hurry up!
TUG
TUG
slide
Senri
sting
……

Oh well! And it was so big, too.
Now I won't have anything to eat
And I wanted to share it with you guys too.
Really?
Thank you!
We'll give you something. Come on!
.....
WOW♡ Looks good!

Did Senri make these?
Yeah...
But... this is a bit...
ちゃい
slice slice slice
Whoa
パクッ
H. here goes
ズイ
……
hehe
I've never had such good snake♡
The spices and salt bring out the flavor of the meat
You're right!
It's good!!
Hun!?

Nana, why are you here?
I thought you were going to live with Deli back in Octopus
Huh...
Did you get in a fight and got chased out again?
GRR
How rude! I did not.
I wasn't planning to stay forever in the first place.
There must be a place that would suit me better somewhere!
But a girl can't travel alone, can she?
I was wondering who I'd go with.
Where are you guys going?



...Are you a +Anima too?
There aren't many places where +Anima children can settle down
Anywhere we can go, anywhere we can eat, anywhere we can sleep.
Not anywhere specific.
Wah! A bear!?
I think?
I'm Cooro!
Oh, I guess you know already!
I'm a bat +Anima, Nana Alba!
Nice to meet you ♡
That's perfect, then!
Senri...

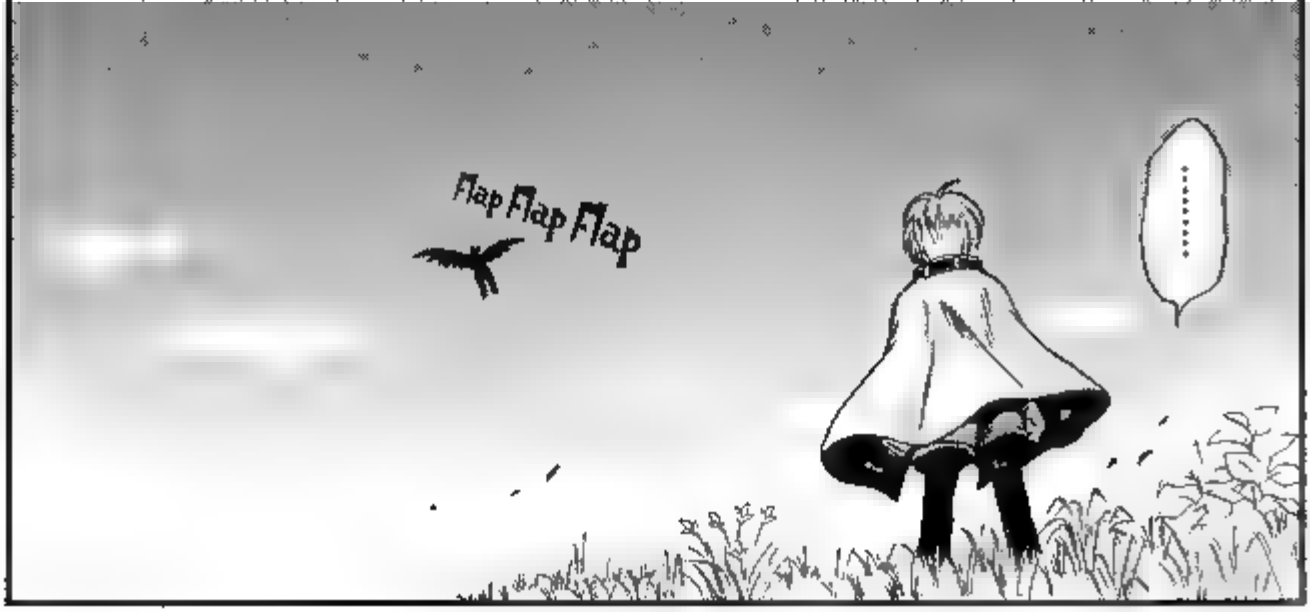
Husky?
Nice to meet you ♡
...I don't want her to come with us
Huh?
Why not?
Well, she DID take your pearls, but still..
Awww...
STAB
Girls are noisy, tricky and selfish...
I HATE GIRLS!!

I... I'm really sorry about that
But... I have to survive somehow.
Come on, let her join us
And they were pretty.
Shake shake shake shake
If she's coming, I'm leaving!
Good-bye!
Huh!?
Whaaᴧᴧ? You can't do that!
stomp stomp stomp
What should I do?

OHH
No way I'm joining with a girl!
Travel with us?
Not a chance
I'll go somewhere there's water, so I can get away if I have to...
I think there was a river to the east...

!?
HUSKY!
zat
It'll be dark soon.
Everyone's waiting, why don't you come back?
What about her?
Huh?
That bat-girl, Nana!
As long as she's around, I won't go back!
It's all her fault that I can't keep the promise I made with you!
ポケ
Prom-ise...?

At the circus ..
I promised that if you cut the rope, I'd go with you.
Remember?
Is that why you were traveling with us...?
.....
Y...
Yeah, of course.
Oh...
Then you can forget about the promise
Bye-bye.
FLAP
!



Flap Flap Flap
.....

He doesn't want to come, so what can I do?
It's his choice.
...So you came back?
Isn't that a bit cold?

Coora...
You don't know what obstinacy is, do you?
?
OOH—OOH—
a bird...?
Maybe a bug...
Or...
kya kya kya
whish
whish
flap flap flap
Hah

Oh
Maybe it's Cooro?
There you are!
What do you want?

I came to get you
If you keep being so stubborn about everything, you'll never get anywhere
I don't want to hear that from you
Whose fault do you think this is, WOMAN!
You know
Hmph!
GYAA!?

If you don't come back, I'll look bad!
Gaah, stop!!
It'll get pitch dark...!

glance
THUMP

THUMP
THUMP

Buh!

Nana...?
NO!!
What's wrong?
Aren't bats good in the dark?

I'M HOME!
WELCOME HOME, DEAR

WHAT!?
ARE YOU MOCKING ME TOO!?
I DIDN'T EVEN GET HALF OF WHAT I WANTED FOR THE HARVEST!
DAMN IT!
THAT DOESN'T MEAN YOU SHOULD BE DRINKING SO MUCH...
STOP!

STAB.
SHUT UP!!

They're marks, so we can find our way back
squeeze
Nana! Husky!

...I hated my dad.
When he was drunk, he'd hit Mom and me.
I don't think he'll ever forgive me for stabbing him...
You can't see anything in the forest at night
I ran and fell...
And Dad was chasing me.
Then I grew the bat wings and ears
And was saved
.....
But I'm still scared of the forest at night

Husky... you'll stay, right?
...Um
glance
.....
If you look bad because of me, it'll make me look bad, too.
I'll stay.
